KOÇEL TIMELINE

- 1977 - KOÇEL A.Ş. was established in Zeytinburnu, Istanbul in a 200m² area.
- 1979 - Started producing steel and formica-coated household furniture.
- 1985 - Produced the first drawer cabinet following the special request and design of a customer.
- 1992 - Continued to produce drawer cabinets based on the demand from customers after trial samples were made.
- 2002 - The first year we participated in an exhibition.

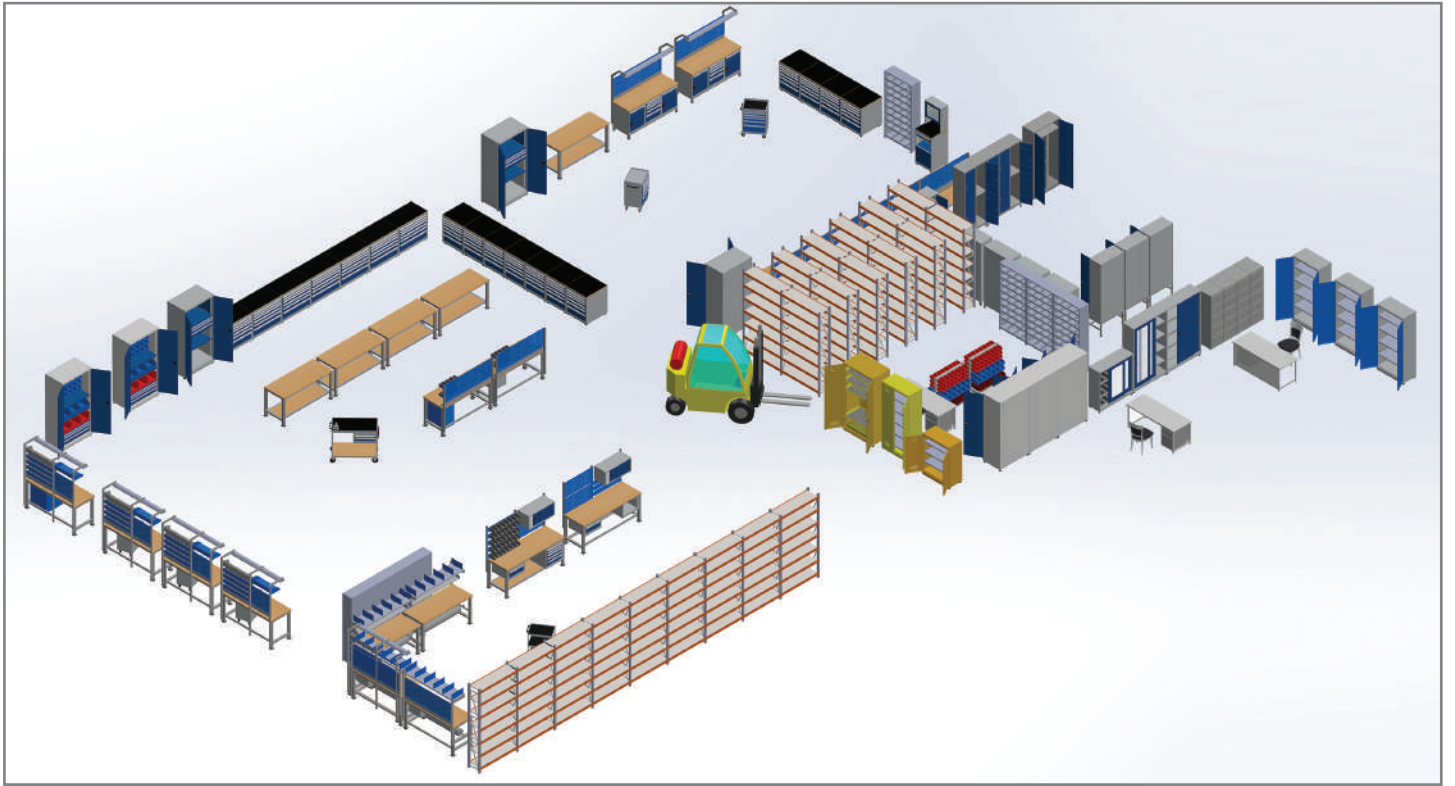

- 2003 - A factory was established in Mahmutbey, covering 1200m², and the product range expanded along with a team of 25 people.
- 2010 - The factory building in the GOSB (Gebze Organized Industrial Zone), covering 7500m², was purchased and production continued there. KOÇEL A.Ş., with its advanced technology and team of skilled professionals, not only expanded its product range but also strengthened its position in the industry by increasing its customer potential.

- 2012 - Expanded product range.
- 2014 - The first years we started exporting; we exported to Spain, the Netherlands, Slovenia, Bulgaria, and Morocco.
- 2018 - KOÇEL A.Ş. adapted its production and products to the latest technologies and continued expanding.
- 2020 - Continued to expand the machine park with the latest technological machine investments due to increasing business volume.
- 2023 - In 2023, we doubled our production area by incorporating the second KOÇEL factory building into our operations.

- 2027 - Our future factory.

FARPLAS A.Ş.

Layout and New Investments
Specialist

When we think of KOÇEL A.Ş., the first thing that comes to our mind is Giresunspor. After using KOÇEL's high quality products, we started to utilize our working spaces more efficiently. The reason we chose KOÇEL A.Ş. was the high quality of their products, the fast customer support we received, and their ability to meet our additional requests.

SAMSUN YURT SAVUNMA

Selçuk TEMELİ
Technical Manager

We use Koçel's products across many of our departments. We prefer them due to their functionality and durability. Additionally, the company values customer feedback. When we request custom-designed products, we receive prompt and solution-oriented responses.

YILDIZ TEKNİK ÜNİVERSİTESİ

Ass. Prof. Alptekin ERGENÇ
Vice President, Dep. for Machine
Engineering

During the renovation of our Automotive Laboratory and the YTU Racing garage, various KOÇEL A.Ş. products were chosen, which brought about a visual and functional harmony appreciated by all the students and guests who visit the laboratory. We believe that the paint quality, material quality, and customer satisfaction approach were the main reasons for the harmony in these workspaces.

TOYOTETSU TÜRKİYE

Fikret YAVUZ
Assistant Manager of Human
Resources and Administrative
Affairs

When we think of KOÇEL A.Ş., the first thing that comes to our mind is quality. Thanks to the variety and special designs, KOÇEL A.Ş. products brought order and organization to our company. The fact that the products are long-lasting and provide smooth, easy usage was the most important reason for our preference. Since KOÇEL A.Ş. products are high quality and durable, we have been using them seamlessly for many years.

GES GENEL ELEKTRİK SİSTEMLERİ

Musa ÇORBACI
Chairman of the Board

When we moved to our new facility, we organized our warehouse section with solutions provided by KOÇEL. We managed this process very quickly and easily thanks to their solution-oriented and professional approach. Not only their quality but also the after-sales support they provided was very helpful to us. We thank the KOÇEL family for this performance.

YUKİ

Aydan ALPAZAR
Spare Parts Manager

We have been using KOÇEL A.Ş.'s products for years, and we find them extremely useful. Their products helped us establish a more comfortable and systematic organization. Since KOÇEL prioritizes service and quality, we never even considered another brand, because we know that good quality, good service, and good prices will always keep them ahead.

SARIGÖL KONVOYÖR

Mustafa KARA
Purchasing and Warehouse
Manager

In our new factory, we purchased all the station systems, shelving systems, and employee locker cabinets from KOÇEL. We have been using them smoothly without any problems for more than two years. KOÇEL's quality and high standards have made us very satisfied. As the Sarigöl family, thanks to the KOÇEL family for this performance.

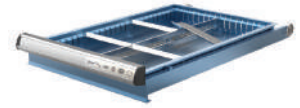

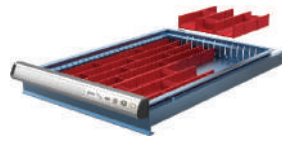

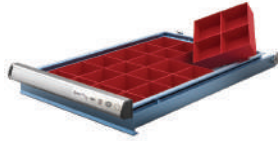

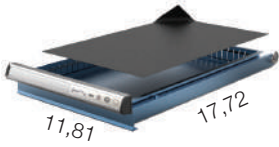

GİRSAN SİLAH

Hamdi Can OTURAK
Mechanical Engineer

In 2021, we moved to our new factory, where we equipped all the working areas with KOÇEL products. As the years passed, we realized how right our decision was. The quality and ergonomic usage of KOÇEL products have not only facilitated our work but also provided strength and durability, creating solutions that organized our entire factory.
